SULLIVAN NYCONNECTS: Your Link to Long Term Services and Supports

Vacancies on Sullivan County Long Term Care Council To be Posted on Sullivan County Website June 27, 2017

The Long Term Care Council is the advisory board for Sullivan NY Connects: *Your Link to Long Term Services and Supports*. The Council membership includes providers, advocates, and consumers of long term care. Consumer members represent Sullivan County's census demographics as well as the people served by Sullivan NY Connects. There are three openings on the Council:

- Consumer representing the African American community
- Consumer representing residents with low income
- Consumer representing people with intellectual and/or developmental disabilities

The Long Term Care Council meets on the third Wednesday of the month from 3:00 p.m. to 4:30 p.m. in the Legislative Committee Room in the Government Center. The Council's work includes identifying and analyzing community needs for long term care and developing strategies to respond to those needs, reviewing the way people find the services they need, and helping to improve services.

Consumers who have experienced the need for services and have gone through the search for services are valuable to the Long Term Care Council because they know what goes smoothly and what does not. Consumer members may have used long term care services themselves, may have helped a family member/friend/neighbor receive services, or may have provided services as a caregiver.

The Long Term Care Council is an active group. Discussions are lively and we learn from each other at every meeting. There are often presentations on various topics related to long term services and supports. We are looking for articulate people who will speak up at meetings and truly contribute to helping the populations they represent.

Anyone interested in serving on the Long Term Care Council, please contact AnnMarie Martin, Clerk to the Sullivan County Legislature, Sullivan County Government Center, 100 North Street, P.O. Box 5012, Monticello, NY 12701 or (845) 807-0435. Thank you.
