## **Energize NY and Solarize Sullivan**

Solarize Sullivan is a campaign to make it easier and more affordable for homeowners and businesses to go solar, grow Sullivan County's green workforce and help New York State make the transition to renewable energy.

Energize NY PACE Finance—a way to get upfront capital for long-term energy investments in your building! PACE (Property Assessed Clean Energy financing) is now available for commercial and nonprofit buildings in Sullivan County to fund qualified energy efficiency and renewable energy measures.
