Recycling Just Got Easier!

2017b
Plastic containers have a #1-#7 recycling triangle imprinted on the bottom.

Metal cans made of Steel or Aluminum metal, Paper Beverage Cartons and Glass Bottles are all recyclable...

- Rinse containers clean – labels stay on
- Pie tins, aluminum foil OK
- Paper milk/beverage cartons OK
- Mix all of these container items together with PAPER
- 5-gallon buckets are acceptable.
- Glass bottles & jars—all colors!
- No ceramics, mirrors or plate (window) glass
- No food, liquids or “SHARPS”/medical waste!
- No bulk plastic bags or toys!
- No foam products or garbage!

Paper - Cardboard boxes, corrugated cartons, brown paper shopping bags, Newsprint (including all regular news, circulars and glossy inserts), and Mixed Paper (magazines, “junk” mail, telephone books, cereal boxes, paper towel tubes, shredded paper in single clear plastic bags, frozen food boxes, hard/soft cover books, etc.) are recyclable.

- Mix all of these paper items together with CONTAINERS for SINGLE STREAM RECYCLING
- No bulk plastic bags!
- No waxed cardboard!
- No garbage!

About Single Stream Recycling

All Containers and Paper types at left are comingled (mixed together) in the collection container, instead of being sorted into separate commodities (plastic, glass, steel, newsprint, etc.) by the resident. You may now comingle all Containers and Papers together in your recycling bin for easy Single Stream Recycling!

For Recycling, Household Hazardous Waste (HHW) and Composting information, please call the Sullivan County Dept. of Solid Waste & Recycling for details: 845-807-0291

Other Recyclables

Tires, CFC Appliances, Used Motor Oil, Antifreeze, Fluorescent Bulbs, Scrap Metal, Electronic Waste, Textiles, Cell Phones, Consumer Batteries (AA, AAA, C, D, & 9v) - are all recyclable at convenient Sullivan County drop-off recycling

Check with your private waste hauler, transfer station operator or the Department of Solid Waste & Recycling for more information about recycling these specific items!
